KNOWLEDGE HELPS SELLING

Use the extensive content on our website to improve your customers' sales experience and increase your business success!

By simply scanning the QR codes, you can access valuable information on a variety of topics that will enhance your customer conversation and make you convince faster and easier:

» HELD TECHNOLOGIES

eVest, Clip-in, 2in1 or over&under: Explain Held's intelligent technologies to your customers in a simple and understandable way. Show them how our products offer an optimal driving experience on and off the road.

» MATERIALS SCIENCE

Stingray, Gore-Tex & Armalith®: Give your customers a comprehensive insight into the materials used by Held. Explain in detail what the function and how high-quality materials contribute to safety and comfort.

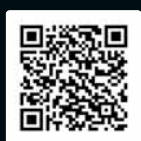

» EN CERTIFICATIONS

Inform your customers in detail about the European standards for motorbike protective clothing. Make it clear why our products meet the requirements, how they are tested and which values are really relevant.

» CLEANING AND CARE

Sustainability is the key: Share valuable tips and instructions on cleaning and care of our products with your customers. Show them how to get the best out of Held products to ensure longevity and performance.

BE HEROIC.

Dear „Heroes and Heroines“,

for over 77 years Held has stood for innovative motorbike clothing, maximum comfort and uncompromising safety. We always look to the future, never forgetting our roots, —**quality is our tradition.**

We are pleased to be able to present you with the Workbook 2024, an attractive and balanced collection in which we have achieved an excellent price-performance ratio thanks to a well thought-out selection of materials.

In the textile sector, three different membrane concepts with the extremely comfortable and safe Tactel outer material will complement the range in 2024.

In the **TOURING** world, the sporty Z-liner combination MANZANO (↗035) offers a solid entry level.

In the **ADVENTURE** sector, the combinations TRIDALE (↗031) with removable membrane and LONBORG (↗029) with Tactel 3L laminate are also positioned in an attractive price range.

The combination of DRAGGER TOP & BASE (↗032) bridges the gap between ADVENTURE, TOURING and URBAN. Combined with the PRO X AIR mesh protector shirt (↗039), the lightweight combination of nylon fabric is perfect as city and off-road equipment for the summer. The ideal multi-layer system.

The **URBAN** collection has grown to include 5 motorbike boot models: The MARICK sneaker (↗135) will also be available as MARICK WP (↗135) with waterproof membrane. In addition to new textile and leather boots for men, the BARREA (↗132) for women will be a solid touring boot with a raised sole.

In the **SPORT** segment, we will be offering the BRANDS HATCH (↗011), a sporty one-piece with top features, a fresh design and an attractive price tag.

As a special **HIGHLIGHT**, we are pleased to present the new eVEST Pro (↗064) with improved back protector and shoulder airbag after long development work.

One final request: The challenges of the past years will continue to accompany us in 2024. **There is still great uncertainty in the procurement market. It is therefore urgently necessary to place orders early.**

Another note on the use of the Workbook: Since the 2023 edition, you can access further information **with a click via the QR code** placed next to the respective product, and with your Webfashion access you can call up helpful tutorials and videos, product photos and 3D views as well as detailed explanations of technologies and materials. In this way, we optimally combine the traditional, printed workbook with the B2B portal.

We hope you enjoy the Held 2024 collection.

Yours

Markus Held
Managing Director

and the entire Held team

CONNECTING ZIP

This 2-piece suit is equipped with two different connection zippers:
Art. 51933 and Art. 51953, Art. 5730 and Art. 5751, Art. 5830 and Art. 5850

Metal zipper Art. 9996

Ensures greater safety. The suitable sports jacket can be combined in the following size combinations:

Sizes	Zipper length
34	62 cm
36 + 76	66 cm
38 + 80	70 cm
40 + 20 + 84	74 cm
42 + 21 + 88	78 cm
44 + 22	82 cm
46D + 23	86 cm
46	74 cm
48 + 98	78 cm
50 + 25 + 102	82 cm
52 + 26 + 106	86 cm
54 + 27 + 110	90 cm
56 + 28 + 275	94 cm
58 + 29 + 285	98 cm
60 + 30 + 295	102 cm
62 + 305	106 cm
64 + 315	110 cm
66 + 325	114 cm

Plastic zipper Art. 9998

Using this zipper, jackets and pants can be combined with several sizes:

Sizes	Zipper length
46 - 58, 25 - 29, 98 - 114, 275 - 295	64 cm
XS - XXL, K-M - K-3XL, L-S - L-XXL, B-L - B-XXL	
36 - 46D, 19 - 23, 76 - 92	
DS - DXXL, K-DS - K-DXXL, L-DS - L-DXXL, B-DM - B-2XL	
60 - 70, 118, 30	94 cm
3XL - 7XL, K-4XL, L-3XL, B-XXL - B-4XL	
48D - 50D	
D-3XL - D-5XL, B-D3XL - B-D4XL	

All Held jackets and pants can be combined to make a suit (subject to specific garment sizes, adaptor zips can be provided where sizes do not match).

Combinations of different sizes, e.g. 52 + 28 or 56 + 285 require their own metal hinge closure Adapter art. 9996. Can be ordered in: export@held.de
